Group Name- Eduburd

No	Functionality	Description
1	Student Signup	Verified that a student can sign up by entering first name, last name, contact, email, DOB, password, and re-enter password.
2	Student Login	Tested login functionality with email and password. Ensured correct credentials allow login and incorrect ones show errors.
3	Tutor Request Management	Verified sending tutor requests. Checked button status updates: Pending, Accepted, or Rejected.
4	Payment Reminder	Tested that if payment is not made before the 10th of the month, a payment reminder message is displayed.
5	Feedback Management	Verified that students can submit feedback, receive a success message, and later edit or delete feedback. Deletion requires confirmation.
6	Assignment Submission	Tested that students can submit assignments with a success message, edit with a success message, delete with confirmation, and view "Submission Closed" when applicable.
7	Parent Requests	Verified that students can accept or reject parent requests. Once accepted, the Accept/Reject buttons disappear.
8	Resource Library	Tested adding, editing, deleting (with confirmation), and downloading learning resources successfully.
9	Edit Profile and Change Password	Verified that students can edit their profile and change password.

1) Student Registration

Test Scenario TID	Scenario Description	Test Case ID	Pre-Condition	Steps to Execute	Expected Result	Actual Result	Status
1	Verify student can successfully sign up with valid details	1	Signup page is loaded	1. Open signup page 2. Enter valid First Name, Last Name, Contact Number, Email, DOB, Password, Confirm Password 3. Click Submit	Student account is created and success message is shown	Student account is created and success message is shown	Pass
	Validate mandatory field First Name	2	Signup page is loaded	1. Open signup page 2. Leave First Name empty 3. Fill other fields 4. Click Submit	Error message "First Name is required" is shown	Error message "First Name is required" is shown	Pass
	Validate mandatory field Last Name	3	Signup page is loaded	1. Open signup page 2. Leave Last Name empty 3. Fill other fields 4. Click Submit	Error message "Last Name is required" is shown	Error message "Last Name is required" is shown	Pass
