

✨ Tips for When Life Feels Heavy

- You are not behind. You are right where Allah wants you to be.
 - Rest is not laziness. It's worship when done with the right intention.
 - Nothing you go through is wasted — every tear is recorded by Allah.
 - Be kind to yourself like you would be to a struggling friend.
 - When overwhelmed, say:
 "Hasbunallahu wa ni'mal wakeel."
 (Allah is sufficient for us, and He is the best disposer of affairs.)
